Parking

There is limited parking at Austin Court. If the car park is full, the nearest parking is at the National Indoor Arena. It is a Pay and Display. There is limited street parking (meters) in side streets opposite the NIA, also on the south side of Broad Street (A456). Also at the end of Cambridge Street at the junction of Summer Row (A457), the entrance is in Brindley Drive. As well as being further away, these are generally more expensive than the NIA car park.
